➔ **Important Notes:** Activities and/or their date order may change subject to circumstances beyond QUEST's control.

A meeting map, detailing all meeting points, will be provided to students upon arrival in Canada.

All start and end times are approximate.

If students expect to arrive later than the time indicated at their homestay they must inform their hosts and provide a reasonable explanation. Students staying at residence should inform their group leader.

For students under 18 years of age there is, unless otherwise specified, a 10:00 pm curfew. Students who break the curfew are subject to expulsion from the program without compensation.

Staying out past curfew requires written permission from QUEST. When granted students must travel in groups of no less than 3 and at all times notify the school and their host of their whereabouts.
